

## AFTERNOON ART CLUB

### Primary School

Wednesday or Thursdays

\$85 per child

### High School

Friday Afternoons

\$95 per term

Every term is full of fun and creativity which allows children to explore their imaginations whilst building technical skills. In each session children learn how to express ideas, enjoy the process of creating and develop and refine their artistic skills.

Sessions have a focus on process over product with an emphasis on creativity and skill development.

Afternoon Art Club is designed and delivered by Sally O'Neill, Education Officer who has a Bachelor of Fine Arts majoring in Painting and Drawing. Classes are occasionally conducted by professional artists alongside Sally.
