# About Afternoon Art Club at Home

The Afternoon Art Club at Home has been developed to support all of our art clubbers during the COVID-19 closures. It is prepared by Janet Gordon, Outreach Officer. Gordon has a Bachelor of Teaching (birth to 5yrs) and a Diploma in Children's Services (Centre based care), with 20 years experience in early childhood education. Gordon has several years experience in relief-teaching the afternoon art club at Goulburn Regional Art Gallery.

This Afternoon Art Club at Home explores Tina Milson: Dawn to Dust, a solo exhibition and the Art of Ageing, a group exhibition.

The exhibitions are a collection of photographs that capture the experiences and contributions our older generation provide.

## What is photography?

A photographer is an artist. They use photography as a medium for their creative expression. They capture a snapshot of a moment, an emotion, an event. They use specialist equipment that requires them to think about Aperture (size of the lens opening), Depth of field (how much of the image is in focus), Exposure (how light or dark the image is). The artist combines all their knowledge with their creativeness and imagination to produce pieces of art through photography.

**Who do you think the photographs are about?**

## Thinking . . .

Express your ideas and thoughts in creative ways.

### Think about someone you know who is elderly

Is it a grandparent, a neighbour, an aunt, an uncle, a teacher ?

Sketch or write a description of them.

### What are some of their interests and/or characteristics?

Do they like gardening, reading, sports, walking, animals, cars?

Are they a joker, storyteller, carer, relaxed, quiet?

Write down a list of words to describe them.

Create an art piece based on an interest and characteristics . . . .

. . . . maybe a drawing of funny flowers in the garden or a recycled material model  
of a animal or car
