## Something to SING

### **JACK FROST NOSE**

Where did you get that little red nose?

Jack Frost kissed it I suppose

He kissed it once

He kissed it twice

Poor little nose

It's as cold as ice

### **JACK BE NIMBLE**

Jack be nimble

Jack be quick

Jack jump over the candlestick

### **JACK FROST**

Look out ! Look out !

Jack Frost is about !

He's after our fingers and toes

And, all through the night

The happy little sprite

Is working where nobody knows

He'll climb a tree

So nimble is he

His silvery powder hell shake

To window he'll creep

And while we're asleep

Such wonderful pictures he'll make

Across the grass

He'll merrily pass

And change all its greenness to  
white

Then home he will go

And laugh, "Ho, Ho, Ho !

What fun I have had in the night !"

# Something to MAKE

## FROST PERSON COLLAGE

It's been getting a little bit nippy outside with frost on the ground. Have you seen Jack Frost jumping around leaving silvery ice on the grass?

We are going to use our imaginations to create a collage of Frost People or of some of the frost spread everywhere.

You will need:

- \* Blue and White Paper

*I used tissue paper and cellophane, if you don't have any blue paper, colour some white paper blue*

- \* Silver foil
- \* Scissors
- \* Glue

- 1) Decided what you want your collage to look like, drawing your design on paper might be helpful.
- 2) Rip/cut blue, white paper and foil into small pieces.
- 3) Lay piece out on your design.
- 4) When you're happy with how it looks, glue in to place.

I made **Jack Frost**.

He's all blue, white and silvery because he's made from ice and has icicle hair. He's been making it very cold by sprinkling frost and snow everywhere.

I'd love to hear about your collage.
